MEMORANDUM FOR: [redacted] 25X1
Chairman, DCIC 1/2 Committee

FROM: [redacted] 25X1
Chairman, Economic Intelligence Committee

SUBJECT: DCID 1/2 Priorities for Revised Topics
2.1.3 and 2.1.4 (U)

1. The Economic Intelligence Committee at its 4 February meeting approved the attached package of country priorities and, where necessary, the individual justification statements. The EIC does not propose any changes from the old priorities for revised topic 2.1.3. Several changes have been made for revised topic 2.1.4. The country priorities and required statements for 2.1.4 have been reviewed by EIC member departments or agencies and carefully revised to meet Community concerns. I hope the EIC's efforts will facilitate the rapid implementation of these new priorities in the DCID 1/2 system. (S NF)

2. I would appreciate your informing me after your Committee has decided on these priorities. If you have any questions, please do not hesitate to contact me. (S NF)
